

THE ISLAND READER

Don't get bogged down by grammatical errors, run-on sentences, and other sometimes overlooked mistakes. Give your audience the best version of your work with a fully edited piece.

Here are ways we can work together.

BETA READING

As a beta reader, I will provide honest and detailed feedback. I will note any plot holes and offer suggestions for improvement if needed. I am looking to see if the story flows well and if the characters and their relationships are well developed and believable.

With this service, I will not edit your story. If you have specific questions that you would like to be addressed or things you'd like me to note, please provide a questionnaire or note these questions at the beginning of the manuscript prior to my reading.

I will typically return this to you within (7) days or less.

This is a free service.

BASIC COPYEDITING AND PROOFREADING

Before you hit publish and release it to the world, you need to review to make sure there are no errors that you may have missed. I will go beyond the traditional "spell check" and catch any errors you or the computer may miss and ensure that there are zero grammatical errors. This plan includes spell check, punctuation, and possible grammar enhancements. I will read the manuscript and give you feedback regarding the plot, character development, and tone.

<50,000 words - \$75

50-100k - \$125

Turnaround time is about 5 business days based on an average of 75,000 words. Longer manuscripts may require a longer time.

PAYMENT POLICY

Once we've agreed upon a start date and you've emailed your manuscript, an invoice will be emailed to you through Paypal for a deposit of 50% of the full editing price. The remaining balance must be paid the day before the completed edit is scheduled to be returned to you.
